Professional Experience

San Mateo Medical Center, San Mateo, CA

RN II, Jun 26, 2015 - Jan 03, 2019

Managed caseload of 4 patients in this 17 bed ER unit in a 415 bed acute care hospital.

- Triaged, assessed, and managed patient care in a community hospital serving a diverse area of low-income adult and pediatric patients.
- Patient population ~70% Spanish speaking, followed by a mix of Samoan, Tagalog, Mandarin, Cantonese, Portuguese, Arabic, and English. Utilized interpretive services daily.
- Emergency psychiatric transfer facility for the county. Worked with security, police, psychiatric and ER teams for managing acutely altered patients before transfer to police custody, psychiatric emergency holding, hospital admission, or discharge.
- Coordinated care with NP or PA for multiple non-acute patients in fast track setting.
- Epic EHR.

Vanderbilt University Medical Center, Nashville, TN

RN II, Jun 28, 2013 - May 06, 2015

56 bed ER unit that sees over 65,000 patients annually. VUMC is a 913 bed Level 1 Trauma Center and Designated Teaching hospital.

- Triaged, assessed, and managed care of a variety of high acuity adult emergency and admitted patients in an ER providing the highest level of care in 140 mile radius.
- Commended for effective communication with patients, families, and multidisciplinary staff.
- Decon trained for hazardous chemical exposures/incidents and highly infectious diseases.
- Maintained environment of care compliant with OSHA, JCAHO and HIPAA standards.
- Prioritized trauma, oncology, cardiac, neuro, psychiatric, ophthalmology, infectious disease and geriatric patients.
- Cerner EHR
